## Cancellation/payment policy:

Please note that the hotel retains always the right to not accept any date change which alters the initial confirmed dates (even if no penalty fees apply). No penalty fees apply if you cancel up to 15 full days prior to arrival. A 50% charge of the total amount takes place 15 days before the scheduled arrival (non-refundable deposit). The remaining 50% of the total amount is to be charged upon arrival. Last minute cancellation (last 7 days before arrival), no-show or reduction of stay-while here-result in full charge.

Kindly be aware that the policy is performed without exception and it equally applies to any reduction of confirmed dates (for example, telling us 12 days prior to your arrival that you will be arriving 2 days later would incur a 50% charge of the value of those cancelled nights).

*\* Please note that Nostos Studios retains the right to amend the cancellation policy on a discretionary basis (for example: a party wants to book many rooms- this could result in a stricter cancellation policy). Similarly, if Covid-19 complications remain present in season 2021, we will favourably amend the policy-this would positively affect pre-existing and new bookings alike.*

Please use our reservation request page to inquire about availability for your desired dates.
